

4. Petitioner also respectfully requests, with respect to the Judge's decision of withholding the application file in response to Petitioner's request that the Board release the application file to the OPR for copying, that the Judge reconsider such decision for the following reasons: (1) Petitioner's original request for copying and inspection was submitted pursuant to 37 C.F.R. § 1.14(d) ("Power to inspect and make copies"); (2) Petitioner fully understands and respects the fact that, the matter of denial / approval of a power to inspect and make copies is within the discretion of the Judge; However the Judge does not states in the Decision the cause of the denial of the power by the Judge, or whether it is the Board's general or current rule of practice to deny a power to inspect and make copies while the application is under the jurisdiction of the Board.

5. Petitioner acknowledges and appreciates, with respect to Petitioner's request for verification of the genuineness of the "Examiner's Answer" dated 12/28/2000 and received by Petitioner (Paper No. 34, attached to the Petition as "EXHIBIT A"), that the petition is granted by the Judge and a review of the application has been made. Petitioner respectfully submits that, said "EXHIBIT A" attached to the Petition was intended to be returned to Petitioner after verification by the Board, and such action is respectfully requested.

CONCLUSION

6. For the foregoing reasons, the undersigned Petitioner respectfully requests that, (1) the Judge reconsider the decision of dismissing Petitioner's request of advancing the appeal proceeding out of turn, and render the decision according to 37 C.F.R. § 1.102, M.P.E.P. § 708.1(I), and M.P.E.P. § 707.02; (2) the Judge reconsider the decision of withholding the application file and denial of Petitioner's power to inspect and make copies; and (3) the Board return the "EXHIBIT A" attached to said Petition, or a duplication thereof, to Petitioner; Should any fees be due in connection with said duplication or with the present paper, please contact the undersigned Petitioner at (972) 307-5017.

Respectfully submitted,
